

Alameda Corridor–East Project

 @FullertonGS

4900 Rivergrade Road, Ste. 120 Irwindale, CA 91706 (626) 962-9292 fax (626) 472-0094 www.theaceproject.org

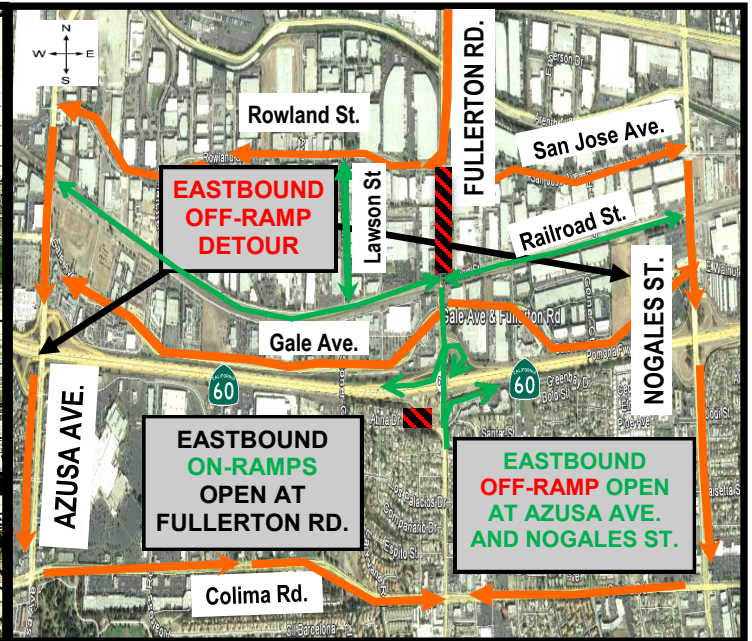

****CONSTRUCTION ALERT ****

55-HOUR WEEKEND CLOSURE OF EASTBOUND FULLERTON ROAD OFF-RAMP ON STATE ROUTE 60

RAMP CLOSURE

RAMP DETOUR ROUTES

WHAT

The Alameda Corridor-East (ACE) Project contractor will temporarily close the eastbound State Route 60 Freeway off-ramp at Fullerton Road to allow for the reconstruction of the ramp. The closure is part of the current phase of construction, which includes the road widening work on Fullerton Road. Upon completion of this phase, Fullerton Road will be widened to three lanes in each direction, improving traffic flow and reducing congestion as part of the Fullerton Road Grade Separation Project.

WHAT TO EXPECT

The ramp and traffic lanes will be temporarily closed on portions of southbound Fullerton Road at the State Route 60 Freeway. Eastbound freeway off-ramp access will detour to Azusa Avenue and Nogales Street (see map above). At least one traffic lane on Fullerton Road will remain open in each direction at all times. A portion of the adjacent sidewalks will also be intermittently closed with pedestrian detours provided during construction. **Access to local businesses will be maintained.** Motorists and pedestrians are urged to obey posted signs and exercise caution while in the vicinity of the construction activities. Noise, dust and vibration may be noticeable and will be monitored for compliance with applicable limits.

WHEN

The closure will take effect on **Friday, June 8, 2018 at 10 p.m.** and is expected to be completed by **Monday, June 11, 2018 at 5 a.m.** Most work will occur continuously during the 55-hour period.
